

Dear HHS Parents and Guardians,

As we move into an uncertain 2020-2021 school year, one thing will remain the same; the PTO will continue to work with the Hampton High School faculty, staff, and administrators to support our students and improve communication with our parents. This year we plan to continue offering enriching opportunities, innovative experiences and fun events when possible!

The PTO plays an important role in your and your child's experience at Hampton High School. In addition to sharing important information with our families through e-mails, newsletters, meetings, and guest speakers the PTO also plays a valuable supportive role. Here are just some of the things the PTO is involved with:

- Provide funding to HHS teachers, administrators, and staff through enhancement grants. Below is a list of some previous years' grants that helped to fund:
 - Replacement locks for breakout boxes used by the Math Department
 - Civil War and Vietnam War guest speakers and presentations for the History Department
 - A session with a professional live model for the Art Department
 - A new PA system for the Music Department
- Operation of the concession stand at home varsity football games
- Coordination of the annual Talbot Tailgate
- Support for the 8th Grade Breakfast and Activities Fair
- Funding departmental scholarship money to graduating seniors
- Support of the Student Council THON with a financial donation
- Assistance with organizing and supporting the Junior/Senior Prom Walk, Prom entertainment, Senior Picnic, and Rita's Day
- Maintaining teacher, staff and parent relationships through meetings, e-mails, and appreciation events

None of this would be possible without your generous gift of time and financial support. The PTO has only two major means of fundraising each year; the yearly membership drive, and the profits from the football concession stand. It is doubtful that there will be a concession stand this year, therefore, we are really in need of your support this year. Your membership donation of at least \$10 to the PTO will help to continue to support our HHS students, staff, and administrators throughout the school year. It also provides you with access to the online membership directory, as well as first notification of various volunteer and event opportunities. A larger donation will enable us to do even more!

To become a PTO member, please complete the attached form and return it with your donation to either the High School office or to Jill McConnell at 4735 Magnus Drive, Allison Park, PA 15101. Remember to check the PTO website (www.hhs-pto.com) frequently for important dates, events, volunteer opportunities, meeting minutes, and other important information!

Thank you!
